

2U ENCLOSURE SHOWING RETRACTABLE SHELF

Description

This 2U rack mountable enclosure houses a retractable modular shelf that can mount up to six compact cassettes or panel strips. The back of the shelf has multiple bridge lances for securing excess cable. A hinged transparent plexi-glass door is on the front to protect the fiber and present a clean well organized patch panel.

Features / Benefits

- Color coded to easily identify fiber type
- 72 LC or MTRJ port capacity
- 36 SC port capacity
- A hinged door on the rear allows easy access to the back of the couplers
- Retractable Shelf for ease of connectivity
- Trunk entry on right and/or left side of enclosure
- Front cable management with plexi-glass door
